

ALEENA BILAL

DATA ENTRY & DATA VERIFICATION SPECIALIST

Location: Gujranwala, Punjab, Pakistan • **Email:** cheemaaleen794@gmail.com • **Phone:** +92-320-6916902
Fiverr: MyFiverProfile • **GitHub:** MyGithubProfile

CAREER OBJECTIVE

A highly motivated and detail-oriented individual seeking remote opportunities in data entry or data verification. Strong computer skills, fast typing ability and a passion for accuracy make me an ideal candidate for administrative and clerical support roles.

EDUCATION

BS Computer Science

Government Graduate College, Gujranwala • **Expected graduation: 2028**

Core coursework: programming fundamentals, database systems, operating systems, computer networks, software engineering and artificial intelligence.

Intermediate (Pre-Engineering / ICS)

Gujranwala, Punjab • **Completed**

PROJECTS

Assignment Portal (HTML / CSS)

Multi-page website with login, register and dashboard pages. The GPA table is prepared for future JavaScript editing, and the entire interface uses a black-and-cherry-red gradient theme with hover glow effects.

Editable GPA Table

Displays subjects, marks, percentages and GPA in a clean table layout with a gradient header, hover highlighting and summary totals.

SKILLS

- Typing speed: 30–40 WPM with a strong accuracy focus
- Microsoft Office — Excel and Word (data entry, formatting, formulas)
- Google Docs & Google Sheets for collaborative record keeping
- Data entry, data verification and record management
- Internet research and information gathering
- File organisation and consistent naming conventions
- Tech-savvy, quick learner, fluent in English and Urdu
